

Summaries, in Serbian and English language, presented within the poster session of the 56th International Conference of Meat Industry, will be published in the Book of Summaries.

Preparation of summary

Summary (Srb. apstrakt) is short, informative presentation of the content of the paper, given in Serbian and English, depending on main language of the paper, which provides insight into research objective, methods, results and conclusion. Summary shouldn't have over 500 words, in Microsoft Word Program, Times New Roman, font size 12, paragraph 1,5 and margins of 2 cm.

Key words are given in Serbian and English language, immediately below the text of the summary (italic, font size 12). There shouldn't be more than 5 key words.

Authors should give their full name and family name, title, full name and address of the institution, as well as their e-mail address.
